Part numbers and descriptions used can be internal references. Please contact before placing orders against any part number or description. E&OE.

Further details can be obtained from info@mtaatm.com and see www.mtaatm.com for repair services.

Part Number : 6140110005

Description : Note Guide

Pack Qty : 1

Notes :

Part Number : 6140110030

Description : DMS flex assy

Pack Qty : 1

Notes : Supplied with adhesive backing fitted

Part Number : 6140110026

Description : Drive shaft

Pack Qty : 1

Notes :

Part Number : 6140110024
Description : Thickness measuring shaft
Pack Qty : 1
Notes :

Part Number : 6140110038
Description : DMS extension
Pack Qty : 1
Notes :

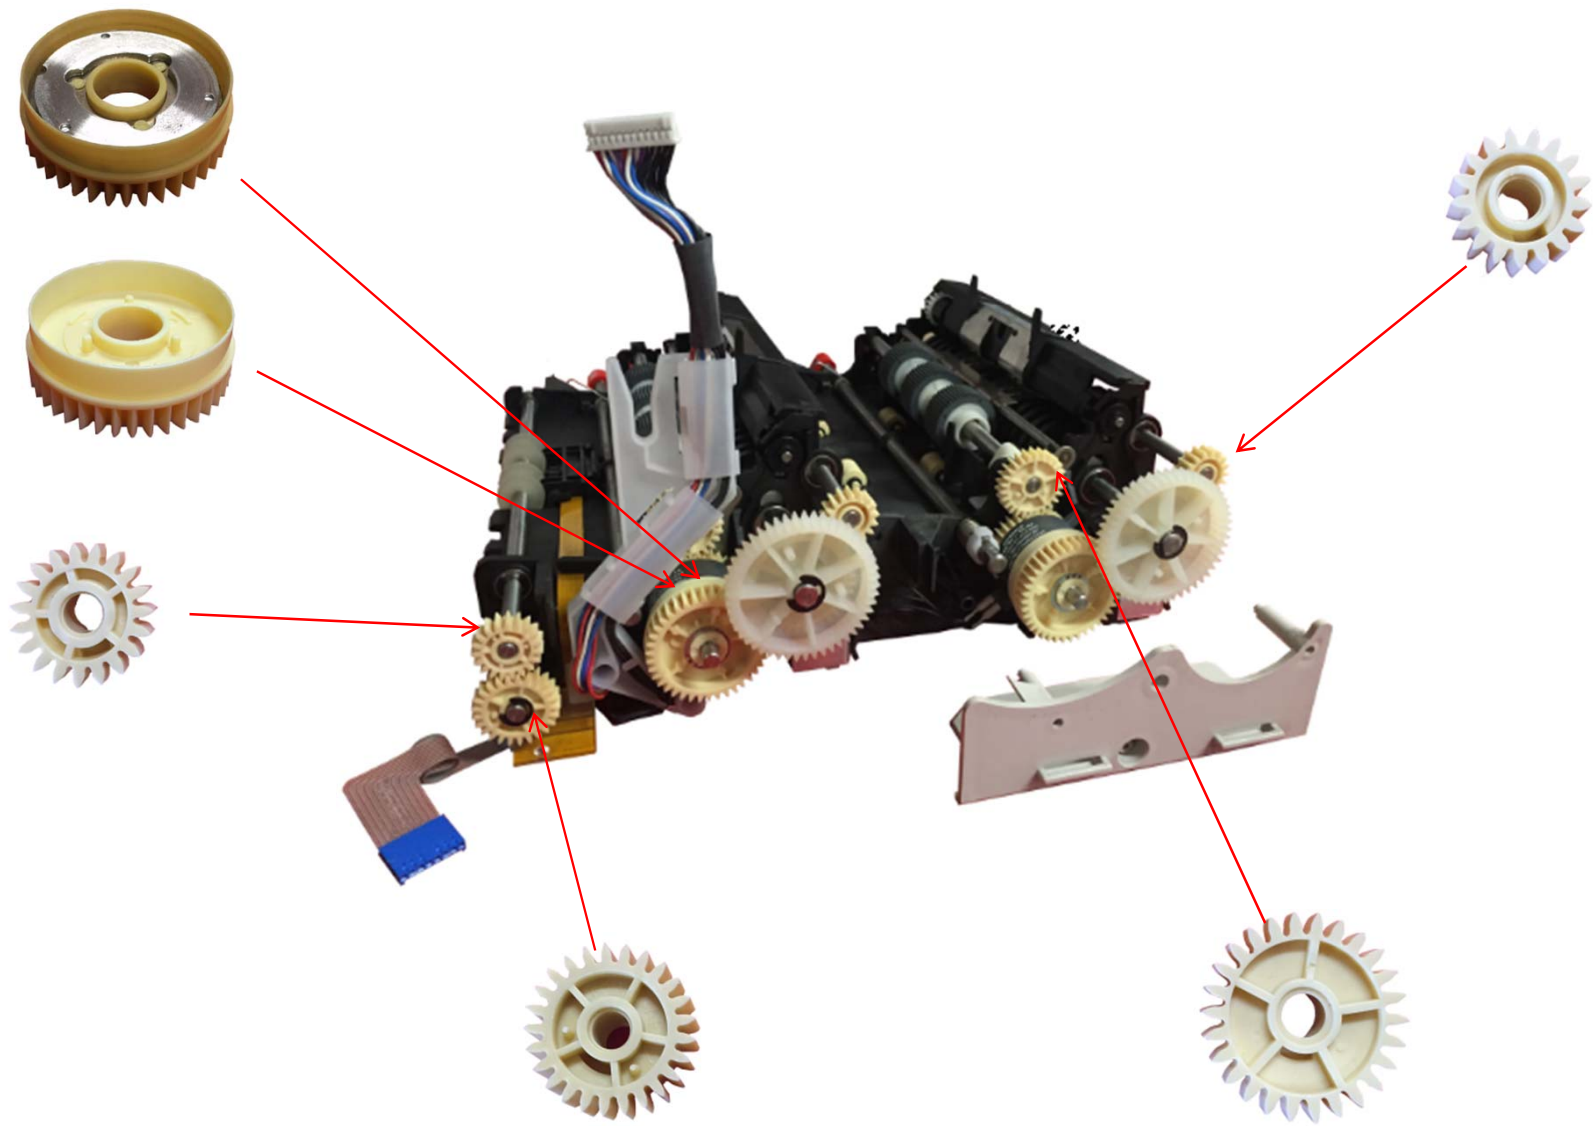

Part Number : 6140110001
Description : Puller
Pack Qty : 1
Notes : Alternative later version in red also available

Part Number : 6140110048
Description : Red locking lever
Pack Qty : 2
Notes : Part of the original lever must be present to fit this

Part Number : 6140110039
Description : Belts for extract V4
Pack Qty : 2
Notes :

Part Number : 6140110059

Description : 17T gear

Pack Qty : 1

Notes :

Part Number : 6140110060

Description : 25T gear

Pack Qty : 1

Notes :

Part Number : 6140110004

Description : Clutch gear with metal

Pack Qty : 1

Notes :

Part Number : 6140110061

Description : 19T gear

Pack Qty : 1

Notes :

Part Number : 6140110062

Description : 26T gear

Pack Qty : 1

Notes :

Part Number : 6140110037

Description : Clutch gear only

Pack Qty : 1

Notes : For using with the original clutch plate

Part Number : 6140110056
Description : DMS housing
Pack Qty : 1
Notes : Housing only with no clips or sensor covers

Part Number : 6140110057
Description : DMS connector housing
Pack Qty : 1
Notes :

Part Number : 6140110023
Description : Clutch cover
Pack Qty : 1
Notes : Screw not included

Part Number : 6140110058
Description : Red puller
Pack Qty : 1
Notes : Later puller but for use on older metal draw off shafts
